OFFER TO MAKE ABSENTEE BID

Please read the instructions carefully.

An absentee bid is an offer to purchase a specific quilt for a price up to the maximum amount you authorize.

To place an absentee bid:

- ◆ Fill out the **Offer to Make Absentee Bid** form below.
- ◆ Mail to APNQ, PO Box 924, Bellevue WA 98009-0924
- ◆ Include a self-addressed, stamped envelope.
- ◆ Do not send any money when submitting your **Offer**.

If several **Offers** are received for the same quilt, your **Offer** must be highest received for your **Offer** to be considered at the live auction in August 2008. If your **Offer** is the highest, we will contact you prior to July 25, 2008, and ask you to guarantee your **Offer** by sending a certified or cashier's check, or completing a credit card payment form, in the amount of your maximum bid **plus** any auctioneer's service charges.

At the live auction, the auctioneer will let the audience know that there is an absentee bid but will not state its maximum amount. The Auctioneer will bid for you at reasonable increments until:

(1) The maximum purchase price on your **Offer** is exceeded by a higher bid in which case you will have lost the quilt. We will return your check (or void your credit card form) without cashing it.

or

(2) Your bid is the highest in which case you will become the successful purchaser. We will cash your check or process your credit card form and send you the quilt together with the difference (if any) between the purchase price and the maximum price authorized by you on your **Offer** minus auctioneer's fee and the cost for delivering the quilt to you.
